Here comes the bride...

The Bridal Team at Hair Apropos is eager to help you look beautiful, relaxed and confident on your wedding day. We pride ourselves on being able to satisfy the unique needs of your wedding party. Our bridal coordinator promises to tend to your specific beauty needs as you prepare for your special day.

- Your first visit, a few weeks before your wedding day, includes a pre-wedding trial hair design and make-up application.
- Our Balinese Facial and Bali Balance Massage is recommended three weeks prior to your wedding to help rejuvenate your complexion and calm you! The day before your wedding, we recommend our signature Bali-Spa Manicure & Pedicure for beautifully smooth hands and feet.
- The day of your wedding, you will be truly pampered. Your personal stylist Michelle will skillfully design your hair to enhance your headpiece. After a flawless make-up application, you will then be ready to face the cameras and walk proudly down the aisle.

Tips for the Bride

- Please arrive approximately 15 minutes prior to your appointments.
- Please schedule your appointments approximately 3 – 6 months in advance.
- Your trial run hair design should be scheduled as soon as your headpiece or veil has been purchased and is in hand.
- For up-work hair designs or a set with a comb out, your hair should be washed and dried prior to your arrival.
- Waxing or tweezing should be done at least one week prior to your wedding day.
- Your haircut and hair color should be done 2 weeks prior to your wedding day.
